- Welcome and Introductions
- Minutes from previous meeting (04-15-15) approved
- Fitness Report from Campuses:
 - Mr. Permenter discussed the Junior High 6th – 8th grade boy's fitness gram. They are complete and submitted in the computer. He informed the SHAC members that the fitness gram is not a part of academic accountability, but a measure of accountability for fitness. Kathy Wolford explained that the updated Policy FFA (Local) was approved by the School Board on November 11, 2014.
 - Ms. Dews represented the Elementary School. She stated that they tested about 400 (3rd -5th grade) boy and girl students. She also informed the members that she saw a difference this year due to practicing the skills before the students were tested. The Elementary School has input their data to the state.
 - Mr. Brooks stated that the High School has completed the fitness gram and will check with Mr. Love to see if it has the data has been sent to the state.
- Health and Abstinence Report from SJH and HS:
 - The Junior High's abstinence program for 6th grade is a by Scott and White. The program was completed 3 weeks ago. Students seemed to handle the subject matter appropriately. Only a few students (5-6) opted out of the program. The program covers not only abstinence, but peer pressure, drugs, alcohol, risky behaviors, etc...
 - The High School's abstinence program is P.A.P.A. It is taught during Health Classes. The teachers must be certified to teach this program. Mrs. Wojcik will check to see if the new teachers need to attend mandatory P.A.P.A training.
- Dr. Thompson asked the SHAC committee to help recommend names of parents to become members next year.
